**Dr. J. Stickle,**  
GRATEFUL for the patronage that he has  
heretofore received, would inform his friends  
and the public generally that he continues the  
practice of his profession in its various branches,  
and from his extensive experience, in the treatment  
of all the diseases peculiar to this country, and having  
scrutinized closely the effects of remedies on the  
human system, under the influence of a bilious  
atmosphere, he flatters himself that he is able to  
treat the various diseases of the Illinois Valley on  
those principles of science and philosophy which,  
in almost every case, must insure success.  
He would also state that he is prepared to treat  
chronic diseases, such as the various forms of  
Neuralgia, Sciatica, and Enlarged Spleen, on a  
new plan, which has proven successful in an emi-  
nent degree.

## Hay's Liniment.

**NO FICTIO.**—This extraordinary chemi-  
cal composition, the result of science and the  
invention of a celebrated medical man, the in-  
troduction of which to the public was invested  
with the solemnity of a death bed bequest, has since  
gained a reputation unparalleled, fully sustaining  
the correctness of the lamented Dr. Grifley's last  
confession, that "he dared not die without giving  
to posterity the benefit of his knowledge on this  
subject," and he therefore bequeathed to his  
friend and attendant Solomon Hays the secret of  
his discovery.

It is now used in the principal hospitals, and  
the private practice in our country, first and most  
certainly, for the cure of the Piles, and also so  
extensively and effectually as to baffle credulity,  
unless where its effects are witnessed. Externally  
in the following complaints:

For Dropsy.—Creating extraordinary absorp-  
tion at once.  
All swellings.—Reducing them in a few hours.  
Rheumatism.—Acute or Chronic, giving quick  
ease.

Sore Throat.—By cancers, ulcers or colds.  
Croup and Whooping Cough.—Externally,  
and over the chest.

All bruises, sprains and burns, curing in a few  
hours.  
Sores and Ulcers.—Whether fresh or long stand-  
ing, and fever sores.

Its operations upon adults and children in re-  
ducing rheumatic swellings, and loosening coughs  
and tightness of the chest by relaxation of the  
parts, has been surprising beyond description.—  
The common remark of those who have used it in  
the Piles, is "It acts like a charm."

For sale by E. Dewey, Apothecary's Hall, and  
S. Sawyer, Dearborn Street Chicago.

**LOOKOUT FOR IMPOSITION.**  
A base attempt has been made to imitate Hay's  
Liniment, and infringe upon the copy and other  
rights of the proprietors. Never buy Hay's Lin-  
iment unless it has a splendid engraved wrapper,  
and the written, mind written signature of com-

All others must be impositions. Any person ven-  
ding any other article, by the name of Hay's Lin-  
iment, either at wholesale or retail, will be pro-  
secuted for a violation of our copy right. The oath  
of Mr. Hays may be found copied on our inside  
wrapper, swearing that no other person knows  
any of the component or essential parts of this Lin-  
iment—and that he will not reveal the secret for  
twenty years.

**Oldridge's Balm of Columbia.**  
**THE HUMAN HAIR.**—Where the hair is  
observed to be growing thin, nothing can be  
more preposterous than the use of oils, greases, or  
any fatty matter. Their application can only be  
recommended through the grossest ignorance, as  
they hasten the fall of the hair, by increasing the  
relaxation of the skin. When there is a harsh,  
dry, or contracted skin, and where the small blood  
vessels which carry nourishment to the bulb are  
obstructed, then the oils, &c., may be good, as  
they tend to relax the skin; but alone, they are  
of no avail. There must be a stimulus, to rouse  
the vessels from their torpor, and quicken the cir-  
culation of the blood.—Extract from *Churchill's  
Treatise on the hair.*

The Balm of Columbia is the only preparation  
that can have that effect, being entirely free from  
any oily substance. Its positive qualities are as  
follows:

1st—For infants, keeping the head free from  
scurf, and causing a luxuriant growth of hair.  
2d—For ladies after child-birth, restoring the  
skin to its natural strength and firmness, and  
preventing the falling out of the hair.

3d—For any person recovering from any debility  
the same effect is produced.  
4th—If used in infancy till a good growth is  
started, it may be preserved by attention to the  
latest period of life.

5th—It frees the head from dandruff, strength-  
ens the roots, imparts health and vigour to the  
circulation, and prevents the hair from changing  
colour or getting gray.

6th—It causes the hair to curl beautifully when  
done up in its over night.

No ladies' toilet should ever be made with-  
out it.

7th—Children who have by any means contract-  
ed vermin in the head, are immediately and per-  
fectly cured of them by its use. It is infallible.

**A CASE IN POINT.**—I had unfortunately lost  
nearly all the hair from the top of my head,  
when I commenced the use of the Balm of Colum-  
bia, and have, by the use of two bottles, had my  
head covered with a fine growth of hair. There  
can be no mistake in the matter, as any of my  
friends can see by calling on me. I had also be-  
come quite gray, but had the gray hairs plucked  
out, and has grown in, as the Balm says, of the  
natural colour. If any body doubts these facts,  
let them call upon me and see. I bought the Balm  
of Comstock & Co., 2 Fletcher street.

**THE ELATE MAYOR** of Philadelphia has  
certified under seal of the city to the character of  
several divines, physicians, and gentlemen of high  
standing who declare positively under their own  
hand (all of which may be seen at the Office)  
that the Balm of Columbia is not only a certain  
preservative, but positively a restorative of the  
human hair; also, a cure for Dandruff. Who  
at all dispute, or who go bald?

**TO THE INCREDULOUS.**—New-York, Sep-  
tember 28th.—I have been entirely bald during  
13 years, and I have now, by the use of the genu-  
ine Balm of Columbia, my head covered with fine  
hair. I shall be happy to convince the most incred-  
ulous, who will take the trouble to call at my  
house. I have bought the article of Comstock &  
Co., 2 Fletcher street.

**J. P. SCHMIDLING,**  
47, Attorney st.

A young gentleman of 388 South Market street,  
Albany, had very coarse, stiff, and straight hair,  
all of which he lost by its falling out. He has  
used 2 bottles of Balm of Columbia from Comstock  
& Co., and now has a full flowing crop of very  
long, fine hair, which curls most beautifully! His  
father, who is one of the most respectable citizens  
of that city, is referred to for the fact.

Mr. Lewis Millard, of Butternuts, Otsego county,  
had lost his hair, and had it fully restored by 2  
bottles of the Balm. In fact the cures are so num-  
erous that it is quite out of the question to refer to  
one in a hundred of those who have experienced  
the like effects.

**BEWARE!!**—Some counterfeiters have at-  
tempted to imitate this article. Let it never be  
purchased or used unless it have the name of L. S.  
Comstock on a splendid wrapper. This is the  
only external test that will secure the public from  
deception.

PECTORANT, and Summer Complaints, Child-  
ren's Morbus, Diarrhoea, Dysentery, and all the  
various affections of the Stomach and Bowels re-  
medied by his **CARMINATIVE BALM.**  
Please read the following letter J.

Darlington, Beaver County, Pa. 7  
February, 1839.

Dear Sir—I feel it due to you as the inventor  
of the medicine and to the public, who may be  
greatly benefited by it, to state a cure that was  
performed in my family, by the use of your "Car-  
minative Balm."

My little son, when about two months old, was  
seized with a *hooping cough*, caused, as I sup-  
pose, by a change of diet. It continued for two  
weeks without intermission, and notwithstanding  
the remedies prescribed by a respectable physician,  
we gave up the child a victim, as we supposed, to  
a fatal disease, but I providentially heard of  
"Jayne's Carmivative," as an effectual cure for  
hooping complaint, and immediately despatched a  
messenger to a town seventeen miles off for a bot-  
tle. By the use of this medicine, in less than  
thirty six hours the disease was checked; and by  
its continued use for a few days the child was  
restored to perfect health. Shortly after this,  
there occurred a similar case in one of the fami-  
lies of my congregation; I prescribed "Jayne's  
Carmivative," and the result was a speedy cure.  
From a knowledge of the efficacy of your medi-  
cine in bowel complaints, a disease to which  
children are constantly liable, I have obtained and  
keep constantly in the house, a quantity of the  
"Carmivative."

The same child, owing to exposure, when re-  
cently coming up the Ohio, was attacked by the  
horrible malady, **CROUP**. We landed in the  
night at Beaver Point, and when our fears were  
alarmed lest the hoarse sepulchral cough was the  
forerunner of death, we gave him a teaspoon full  
of the "Expectorant," (a bottle of which you pre-  
sented me with when in Philadelphia) and applied  
some liniment to the throat and breast, and be-  
fore many minutes the hoarseness was gone, the  
child breathed freely and slept sweetly. Owing  
to these circumstances it cannot be wondered at  
why I have so high an opinion of Dr. Jayne's  
medicine, and why I advise every family to keep it  
on hand ready for any emergency.

Respectfully yours,  
**ARTHUR B. BRADFORD,**  
Pastor of the Presbyterian Church, Darlington,  
Pa.

**DR. D. JAYNE.**  
Lambertville, N. J., April 27th, 1839.

DR. JAYNE.—Dear Sir,—By the blessing of God  
your **INDIAN EXPECTORANT** has effected a  
cure in me of a most distressing complaint. In  
December last, I was seized with great severity  
by a Paroxysm of Asthma; a disease with which  
I had been afflicted for many years past. It was  
attended with a hoarseness and soreness of the  
lungs and throat, together with a laborious cough,  
and complete prostration of strength, and when  
almost worn out with suffocation, a bottle of your  
Expectorant was sent to my house. At first I  
thought it was nothing but quackery, but seeing  
it so highly recommended by Dr. Goings, with  
whom I was well acquainted, I was induced to try  
it, and in a few days it completely cured me, nor  
have I ever had any return of the disease since.  
I have now formed so high an opinion of your  
medicine, that if I had but a few bottles of it, and  
could obtain no more, I would not part with them  
for ten dollars each.

Yours, most respectfully,  
**JOHN SEGER.**  
Pastor of the Baptist Church at Lambertville.

To my personal friends.—I would say, that I  
am well acquainted with David Jayne, M. D.,  
and know him to be a respectable Physician and  
Druggist of this city—a gentleman in whom en-  
tire confidence may be placed. I have tested in  
my own case the beneficial effects of his **CAR-  
MINATIVE BALM**, and have greater confi-  
dence in it than all the other medicines of the kind.  
His **EXPECTORANT** is equally celebrated and  
efficacious.

Agent of the Baptist General Tract Society.

The above valuable medicines are prepared only  
by Dr. D. Jayne, No. 20, South Third street,  
Philadelphia, where all orders will be promptly  
attended to.

OF all the remedies ever devised for the restora-  
tion and preservation of the HAIR nothing  
has been found equal to ALBERT'S OLEA-  
GINOUS HAIR TONIC. It seldom fails to  
restore the hair to Health and beauty.—Many who  
were bald three months ago, can now exhibit luxu-  
riant heads of hair.

Dr. Jayne.—Dear Sir,—I feel that I can hardly  
say enough to you in favor of *Albert's Oleaginous  
Hair Tonic* sold by you. My hair had been falling  
out two years, and had become very thin, threatening  
speedy baldness, when I commenced using this  
remedy. In about one week it ceased to fall off,  
I have used it now about three months, and have  
as full and thick a head of hair as I can possibly  
desire. I have recommended its use to a number  
of my friends, who all speak well of it. If faith-  
fully employed, I have no doubt of its general success.  
I must add that
